LIMITED TIME: FINANCIAL HEALTH QUIZ

Thanks to a recent grant opportunity through the National Credit Union Foundation, we can expand our product offerings to be more in tune with our members' financial health needs.

We are asking our members to take a brief quiz, only a minute or less of your time, to help us understand your financial needs and how we can better serve you. Scan the QR code to take the quiz. Once you complete the quiz, you receive a financial health score and financial tips based on that score—things like saving, budgeting, understanding credit, and more.

The quiz is available for a limited time and participation is optional, but we hope you take advantage of this free financial health resource.

REGISTRATION IS AVAILABLE FOR OUR FREE FINANCIAL WELLNESS PROGRAM

Registration is open for our free 5-week financial wellness program! Members and non-members can participate. It focuses on goal setting and saving; building a budget; managing and paying debt; understanding credit, credit reports, and credit scores; and protecting your money.

UPDATE TO OUR MEMBER BYLAWS

In an effort to better protect DPFCU members, staff, and property, the Board of Directors amended our bylaws to include a member expulsion provision.
